# The New Normal

Digital Decentralized money is the new normal and of course the beginning of the new era set into force. Since

Over 500 hundred years few private players or federal systems have been controlling financial world and thereby the lives of common men. Blockchain technology is the solution to all those sufferings and problems, specially pertaining to financial aspects. An absolutely powerful technology that empowers the averages & liberalize the future occurrences. Although in primitive stage of evolution and innovation, future of finance is definitely confined and bound to shine bright. Key visible indicators are when you see top players like **IBM, Google, Amazon, Tesla, Morgan's, PayPal** etc. already being considering & accepting the blockchain technology as solution to present financial complexity and issues. Not only this, BTC, the first crypto currency has left behind Tesla Inc, Alibaba & Facebook in Market Capitalization which is little shy of \$1.5 Trillion Now, And remember Gold is at the top with total market capitalization of \$5.6 Trillion only. Be ready to get amazed as in less than 5 years the total crypto currency market capitalization will be of around \$6 Trillion making it the biggest and most desirable

# Welcome to Victoria Ecosystem

We are delighted to present you one such but youngest enterprise working hard to help the blockchain industry grow and provide real life innovative solutions to help crypto enthusiasts stay ahead of time & ahead of the world. The innovation hub & the growth multiplier.

*Victoria Token represents native TRC20 Token fueling the Victoria Ecosystem.*

## Initial Digital Offering (IDO)

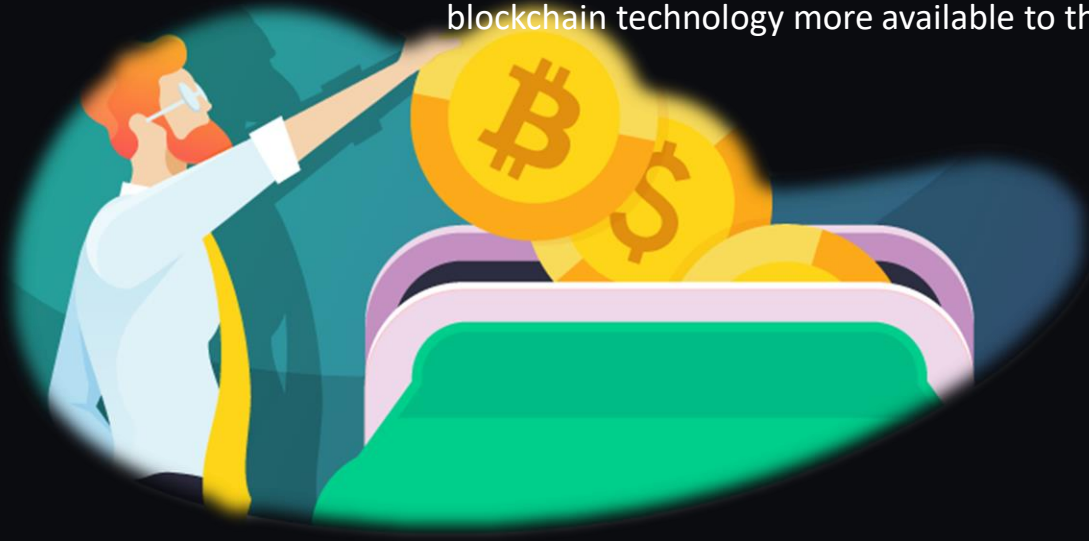

It is aimed to fulfil requirements of capital inputs for hefty innovations & developments processes. In return to support extended by our crypto patrons we are bound & committed to serve them with most rewarding returns through projects capitalization they support. In upcoming times, you will find us serving the community with multiple services to help them built strong digital accumulation and ultimately A massive fortune.

# The Early Adoption

As already mentioned, this technology is still in primitive stage and absolutely intense Innovation & Development is happening around it to make it more available to solve modern economic world in almost every sectors. With banking, process & operation management, insurance, institutional investments, online service subscriptions, payment settlements, content copyrights, digital crypto content development are a few examples which are to be solved in first phase of the development. Thousands of start ups are working to make blockchain technology more available to the world. In such efforts a lot of innovation & R&D required which are capital hungry processes.

4 <sup>th</sup>	2,000,000	\$ 1.20

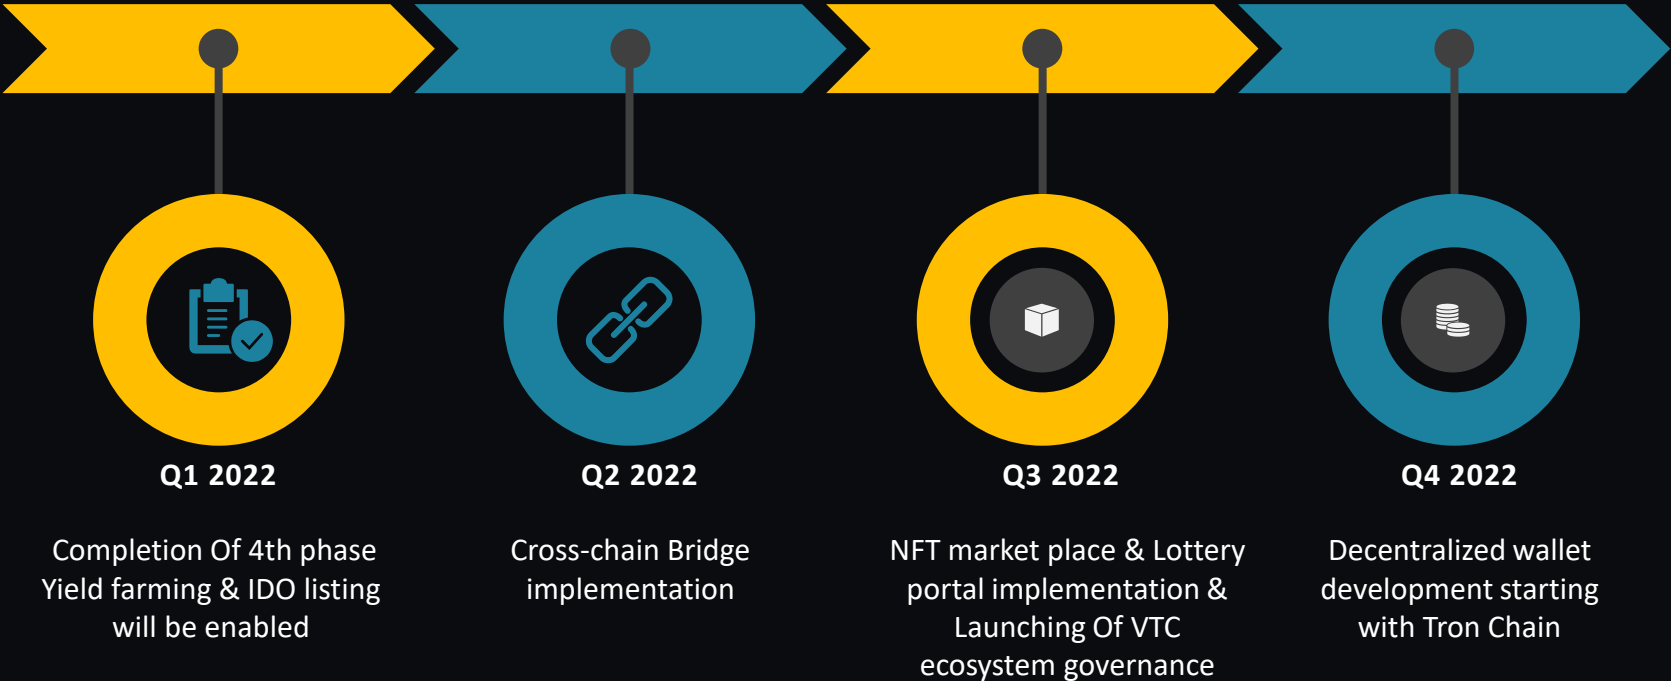

# VTC Roadmap

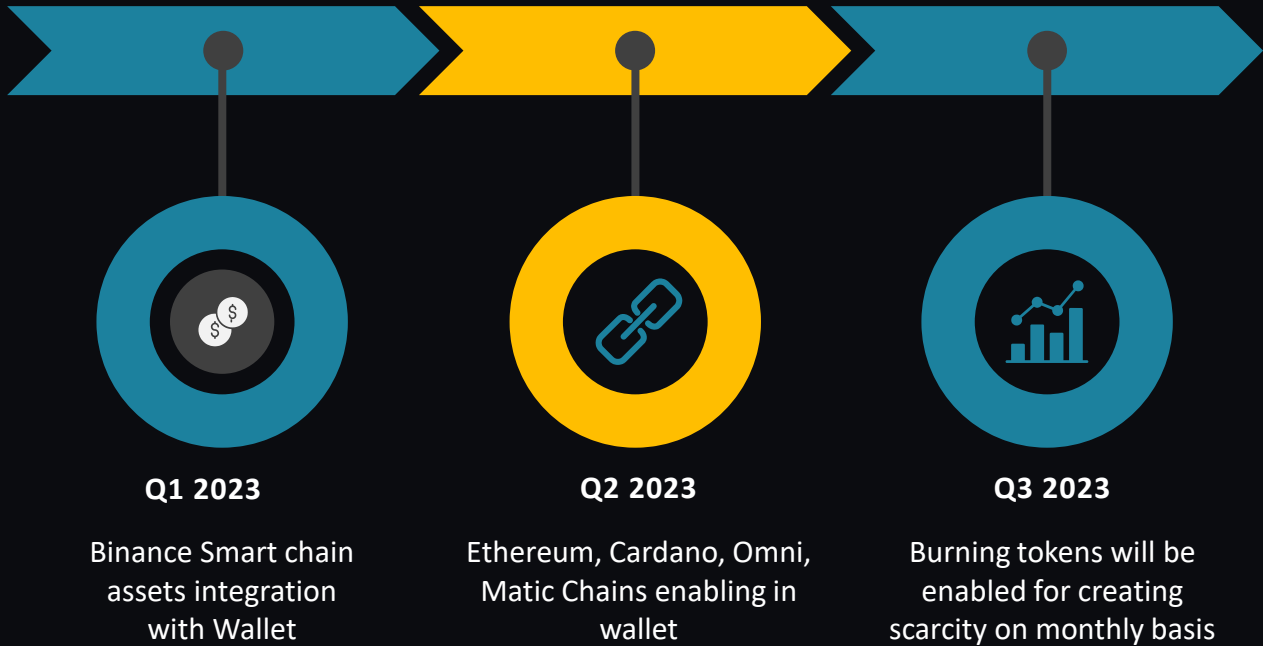

# VTC Roadmap

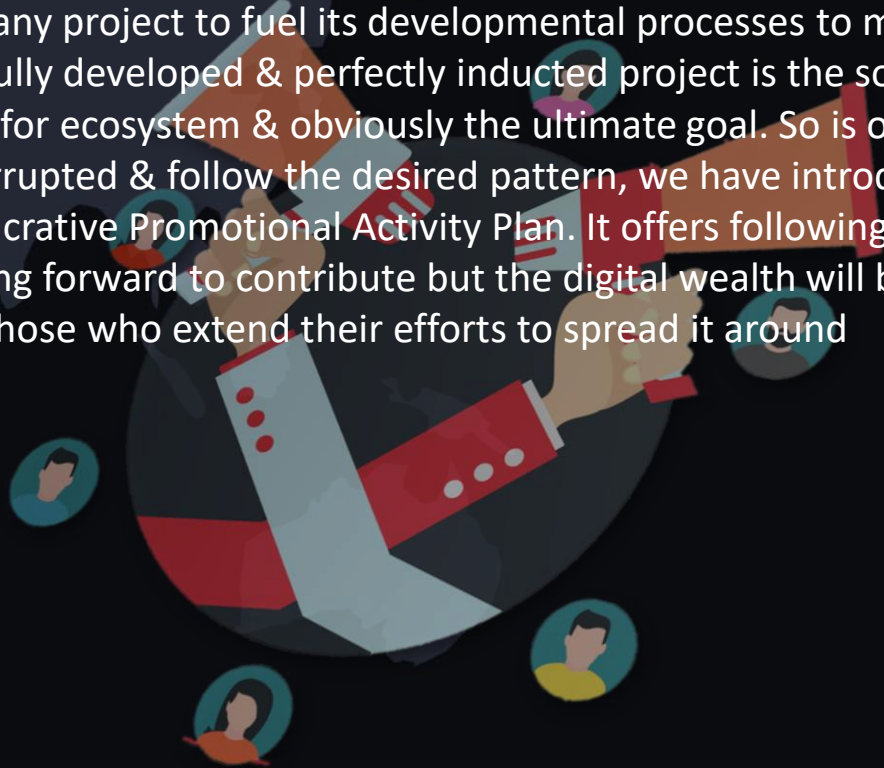

# VTC Roadmap

# IDO Promotional Activity

IDO is critical for any project to fuel its developmental processes to make it a success. Successfully developed & perfectly inducted project is the source of all profit generation for ecosystem & obviously the ultimate goal. So is ours. To make IDO uninterrupted & follow the desired pattern, we have introduced a powerful super lucrative Promotional Activity Plan. It offers following incentives for people stepping forward to contribute but the digital wealth will be accumulated by those who extend their efforts to spread it around

# 1. Staking Rewards

Staking Rewards are given on all initial contribution through IDO Token purchased. All Tokens purchased under IDO offerings will automatically go under 6 months staking pool, but you can extend it up to 36 months. Rewards on staking are given as given below:

Months	Reward
6	24% Yearly
12	36% Yearly
24	48% Yearly
36	60% Yearly

Point To Remember: Total 15% of your purchased token will be distributed in the referral hierarchy. The details distribution of which can be seen on next page.

## 2. Referral Rewards

You can earn VTC through the referral system on all direct sales referred in your team up to 9th level and as detailed below:

Level	Referral
1	6%
2	3%
3-8	0.90%
9	0.60%

Note: All people directly referred by you will be counted into the level 1 sales and so on. It means 1st level represents the 1st generation level and 9th level indicates the 9th generation level

# 3. Level Staking Rewards

All people at your 1st generation level will generate you 6% rewards on all the staking rewards earned by them. Which is significant because all those who are sponsored by you will automatically undergo 6 months Auto Staking at least, hence you can be sure enough to receive these rewards at least up to 6th month & maximum up to 36 months.

Level (ROI)	Referral
1	6%
2	3%
3-8	0.90%
9	0.60%
